

# Boosters

## Better protection

The **Omicron** virus is spreading fast.

Two doses of vaccine will not protect you.

All adults can now get a third booster jab.

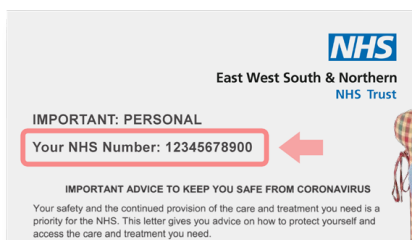

## How to book a booster

Phone: **119** or your **GP**

Book online:  
[bit.ly/bookabooster](https://bit.ly/bookabooster)

You will need your NHS number.

You could ask someone to help you.

A carer may book you in. Or you may get a phone call or a text message from “**NHsvaccine**”.

There are also **walk-in sites** where you don't need to book.

Get boosted now and protect yourself this winter
